"A CANDIDATE FOR THE REASON THAT I BELIEVE I CAN SAVE THE TAX-PAYERS MONEY."

Dana H. Hinkley

CANDIDATE FOR STATE SENATOR Twenty-Ninth District

HINKLEY'S WORK

No member of the present legislature has done better work for the state of Michigan during this session than Rep. Dana H. Hinkley of Emmet county. His efforts have stood out with constant conspicuousness since the day when he was named chairman of the ways and means committee of the house.

As the head of the most important committee in the lower body of the legislature he has carried more responsibilities than any one member of either house. With these responsibilities went great power and it can be said to his credit that he used this power sparingly and wisely.

Not the least of his service has been his determined effort to curtail the expenses which will attend the operation of the state government during the next two years.

During the last session of the legislature Senator Charles Foster, of Lansing, whose bill making an appropriation of \$800,000 for a new office building passed the senate by unanimous vote, was assured by members of the house that the bill would be passed if it could be pried out of the ways and means committee. It was reported favorably by the house committee on public buildings, but Chairman Harry Hinkley of the ways and means committee refused to report it out on the ground that the state could not spare the money.—Grand Rapids Press.

Another state legislator who should be returned—for the good of Michigan is Representative D. H. Hinkley of Petoskey. Hinkley has served as Chairman of the Ways and Means Committee of the Lower House. He knows just how badly Michigan needs a "Budget System" for making appropriations. He can be of inestimable service in perfecting a workable "Budget System" that will produce results. His experience and his advice will be of incalculable value to this end. Mr. Hinkley rendered Michigan invaluable service as Ways and Means Committee Chairman.—Grand Rapids Herald.

Up in the 29th Senatorial District, Dana H. Hinkley of Petoskey is a candidate for the Republican nomination. Hinkley has the exceptional record of having served three terms in the House of Representatives, being nominated each of his three terms without opposition in the primaries. Starting as a lumber piler in a saw mill, and later operating one, his most earnest supporters have been former employees. "Harry," as he is known to his closer friends, started profit sharing with his employees in 1907. He served in the last two sessions as chairman of the Ways and Means committee which by itself marks the influence he wielded in Legislative and many bills aimed at taking money from the State treasury sailed along smoothly until they bumped into Chairman Hinkley and the Ways and Means committee where they were peacefully put to sleep. His experience on this committee has given him unusual opportunity to study the problems that have brought out the agitation for a budget system in this state, and if experience counts for anything Mr. Hinkley, just at this time, more than any man in Michigan, can render invaluable service in working out legislation looking to a change in the policy of making the budget. Mr. Hinkley thinks ten per cent, or a cool million dollar saving is conservative and he would like to participate in making the bill that will bring about this needed reform. If the 29th District nominate and elect Mr. Hinkley, they are assured of a strong Senator, who will be a credit to their District and will bring them additional credit and prestige in the State at large.—Charlotte Republican. Announcement

To the Voters of Charlevoix County:

I hereby announce myself as a candidate for nomination on the Republican ticket for member of the state legislature. I believe I am fully qualified to capably represent the people of this district, especially those engaged in agricultural pursuits.

I do not claim to be "next" to the ins and outs of politics, but do believe I can give my aid toward legislation that will cut down the present high taxation and which will also be of great benefit to farmers. Your support before the primary and your vote on primary day will be greatly appreciated.
